No. 5446.—The following preliminary issue of Regulations for the Open Competitive Examination to be held in England in the Summer of 1921 for appointments in the Indian (Imperial) Police is published for general information :—

INDIAN POLICE FORCE.

*Regulations, &c., for Admission by a Competitive Examination commencing on 1921.**

1. A Competitive Examination for admission to the Indian Police Force (Higher Grades) will be held in the summer of 1921, in conjunction with the Army and Air Force Entrance Examination. The scheme of examination and syllabus of subjects are under consideration, and it is probable that some changes will be made in the existing scheme of examination for the Army and Air Force. The general character of the examination, particularly as regards its relation to the curriculum of the Public Schools, will, however, be maintained.†

2. *Place of Examination.*—The examination will be conducted by the Civil Service Commissioners. Candidates may undergo the written part of their examination in London, Edinburgh, or Dublin, or at any of the provincial centres at which the simultaneous examination of candidates for admission to the Royal Military College, Sandhurst, is to be held. A provisional list of such centres may be obtained from the Civil Service Commissioners. The oral and practical parts of the examination, if any, will be held in London only.

3. *Examination Fee.*—A fee of 4*l.* is required from candidates examined in London, but when the written examination is conducted elsewhere than in London the fee is 5*l.* Candidates examined at a college or school will probably be required to pay a local fee (in order to defray the expenses of superintendence), as to which they should obtain early information from the college or school authorities. The fee payable to the Civil Service Commissioners must be paid by means of stamps of the specified amount. Instructions on this point will be issued to candidates by the Civil Service Commissioners about ten days before the examination.

4. *Number of Appointments.*—The probable number of candidates to be selected cannot be stated at present.

5. *Conditions of Eligibility.*—Every candidate, except as stated below, must be a European British subject, and at the time of his birth his father must have been a natural-born British subject : provided, however, that the Secretary of State for India in Council may make exceptions to the latter condition in the case of candidates who served in His Majesty's Armed Forces during the War. The decision of the Secretary of State in Council as to whether a candidate satisfies these conditions shall be final. Candidates must, without exception on any ground, be above 19 and under 22 years of age on the 1st August 1921. They must be unmarried, and if they marry before reaching India they will forfeit their appointments.

Indian and Burmese candidates, being eligible for appointment in India, will not ordinarily be admitted to compete at the examination, but the Secretary of State for India in Council reserves the right to admit such candidates in cases in which they have been resident in the United Kingdom for not less than five years prior to the 1st August 1921.

6. *Form of Application.*‡—Application to compete at the examination must be made on a printed form to be obtained from the Secretary, Judicial and Public Department, India Office, Whitehall, London, S.W. 1, and to be returned to him, with the necessary documents, not later than *Saturday, the 30th April 1921.*

No applications received after that date can be considered.

Candidates must be prepared to attend at the India Office, if required, at their own expense, to reply to any enquiries which may be considered necessary in connection with their application.

7. *Subjects of Examination and Marks.*—Detailed information is not yet available. *See* para. 1.

8. *Medical Examination.*—Those candidates who are successful in the literary examination will be required, shortly after the result of that examination is declared, to

* The exact date on which the Examination will begin has not yet been fixed.

undergo a strict examination by a Medical Board,* at the India Office, as to their physique and capacity for active out-door work in the plains of India. Instructions as to the date and time of this examination will be issued to successful candidates by the India Office.

9. *Appointment of Probationers.*—The Secretary of State will nominate as probationers such competitors as attain the highest aggregate of marks (provided that they obtain a minimum aggregate to be fixed by the Civil Service Commissioners, and that they pass the medical examination and satisfy the requisite conditions in other respects).

10. *Riding Test.*—Selected candidates will be examined by the Civil Service Commissioners as to their ability to ride, and will be required to obtain—

(*a*) a certificate from the Civil Service Commissioners that they are able to ride well and to perform journeys on horseback; or

(*b*) a certificate from the Civil Service Commissioners of minimum proficiency† in riding.

In the latter case they will be subjected, on their arrival in India, to such further tests in riding as may be prescribed by their Government, and will not be appointed Assistant Superintendents of Police until they shall have passed such tests to the satisfaction of their Government.

11. *Allotment to Provinces.*—Selected candidates who have successfully passed the above-mentioned tests will be allotted, as probationers to the various provinces upon a consideration of all the circumstances, including their own wishes; but the requirements of the public service will rank before every other consideration. The allotment will also be subject to the right of the Government of India to make transfers, if necessary.

12. (*a*) *Uniform.*—It is an ordinary condition of appointment that a successful candidate shall provide himself, or be provided by his parents or guardians, with his uniform or the cost thereof. The India Office makes a contributory grant of 30*l.* towards the cost of uniform.

(*b*) *Horse and Saddlery.*—A successful candidate must, when required to do so by Government, provide himself with a suitable horse and saddlery at his own expense. Local Governments in India are authorised to make to a newly-appointed officer a grant of a sum not exceeding Rs. 600 towards the cost of such horse and saddlery.

13. *Departure for India.*—The probationers will be required to start for India not later than October 1921, so as to arrive in the course of November. Failure to embark in time will, in the absence of satisfactory explanation, lead to forfeiture of appointment. Free passages to India will be provided by the India Office, but any probationer resigning

* With a view to prevent parents and guardians from incurring the inconvenience and expense of preparing candidates who may be physically unfit for the Police Service, it is suggested that, before any such preparation is begun, candidates be submitted to examination by the medical adviser of the family, or any other qualified medical practitioner, with regard to the points which are indicated in Appendix III.

It is to be understood that this private examination is merely suggested to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the official examination.

Candidates may, if they wish it, not more than two years before they are qualified to compete, undergo a preliminary examination as to their physical fitness by the Medical Board, which meets at the India Office every Tuesday, under the following conditions:—

(*a*) Applications must be addressed to the Under Secretary of State, India Office, Whitehall, London, accompanied by a fee of two guineas and by a statement of the candidate's age.

(*b*) Candidates must pay their travelling expenses.

(*c*) It must be understood that the opinion of the Medical Board which will be communicated by the Board to the candidate at the end of the examination is solely for the candidate's own information and is not an official finding. The Board, if they consider a candidate unfit, will exercise their discretion as to informing him of the particular grounds on which their opinion is based. No further information can in any case be given as to the Medical Board's opinion which will be confined solely to the physical fitness of the candidate; and any question as to the eligibility of the candidate, if found physically fit, to be admitted to the Indian Police, should be addressed in writing to the Under Secretary of State.

(*d*) Candidates considered to be unfit by the Medical Board at this preliminary examination are not bound to accept its opinion, but may, *at their own risk*, continue their studies, with the knowledge that they will have to submit themselves for a final medical examination by the Medical Board prior to the examination or to their appointment.

(*e*) As the preliminary examination by the Medical Board is held solely for the candidate's information, a candidate who is informed after such an examination that he is physically fit will have on that account no claim to be accepted as physically fit when he presents himself for the final medical examination, upon which alone his acceptance or rejection will depend. Candidates may be considered fit for the Service at the preliminary examination, but may be found at the final examination to be unfit, either on account of some physical defect which did not exist or passed undetected at the preliminary examination, or for other reasons.

† Candidates are warned that the certificate of minimum proficiency in riding, without which they will not be allowed to proceed to India, is only granted to those who can qualify in a series of tests which includes jumping. It is, therefore, most important that riding lessons should not be postponed until after the result of the literary examination is declared.

The chief tests will be Saddling and Bridling; Mounting and Dismounting; Trotting and Cantering; Riding at a trot without stirrups; Riding at a trot with stirrups but without reins; Jumping a hedge hurdle, about three feet in height. Although the examination will, in the main, be confined to these points, the examiner will not be debarred from applying any other tests which may appear desirable.

his appointment within three years on any ground but that of health, supported by a medical certificate, will be required to refund the cost of his passage.

14. *Salary during Probation.*—On arrival in India probationers will receive an initial salary of Rs. 325 a month *plus* an overseas allowance of Rs. 125 a month in the case of probationers with non-Indian domicile. (*See* Appendix II.)

15. *Period of Probation.*—Probationers will be required to qualify by passing the necessary departmental examinations (as well as the riding test, if necessary, *see* Rule 11) within two years of their arrival in India.

16. *Liability of Probationers to Removal.*—Any probationer who may fail to pass the prescribed examinations within two years, or be found unfit for Police duties, will be liable to removal from the Service. Any probationer so removed from the Service will be furnished with a free passage to England, provided he utilises such passage within three months from the date of such removal.

17. *Promotion after Probation.*—No probationer will be eligible for promotion, either acting or substantive, until he has passed the prescribed departmental examinations, including the riding test.

18. *Leave, Pension, and Provident Fund.*—Officers joining the Indian Police under these conditions will find a summary of information regarding Leave, Pension and Provident Fund, in Appendices IV, V, and VI.

19. *Articles of Agreement.*—Probationers will be required to sign articles of agreement, describing the terms and conditions of their appointment, prior to embarkation for India.

APPENDIX III.

EXTRACT FROM THE REGULATIONS AS TO THE PHYSICAL EXAMINATION OF CANDIDATES FOR APPOINTMENTS UNDER THE GOVERNMENT OF INDIA.

[*These Regulations are published for the convenience of candidates and in order to enable them to ascertain the probability of their coming up to the required physical standard. But it must be clearly understood that the Secretary of State reserves to himself an absolute discretion to reject as unfit any candidate whom he may consider, after hearing the opinion of his medical advisers, to be physically disqualified for the public service*; *and that his discretion is in no respect limited by these Regulations.*]

N.B.—As regards candidates who have been wounded, a candidate who has lost one hand, fore-arm, or arm or one leg *below* the knee might be accepted, but the following classes of wounds must be regarded as disqualifications, viz., (1) Injury to head; (2) Loss of an eye; (3) Loss of leg above or through the knee.

GENERAL PHYSICAL REQUIREMENTS.

I. A candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with efficient performance of duty.

II. In the examination of candidates the Medical Board will apply the following table of correlation of age, height, and chest girth :—

Age.	Height without Shoes.	Chest.	
		Girth when Expanded.	Range of Expansion.
	Inches.	Inches.	Inches.
19 to 20	62½ and under 65	35	2
	65 „ 68	35	2
	68 „ 70	35½	2
	70 „ 72	36	2
	72 and upwards.	36½	2½
21 and upwards... ...	62½ and under 65	35	2
	65 „ 68	35½	2
	68 „ 70	36	2
	70 „ 72	36½	2½
	72 and upwards.	37	2½

III. *Measurement of Height.*—A minimum height of 5 ft. 4 ins. is imposed. The candidate will be placed against the standard with his feet together, and the weight thrown on the heels, and not on the toes or outside of the feet. He will stand erect without rigidity, and with the heels, calves, buttocks, and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be noted in parts of an inch to eighths.

---

* These appointments are not set apart exclusively for members of the Police Department, and the Government reserves discretion to fill them by the selection of any officers who are considered best fitted for them, whether in the Department or outside it.

IV. *Measurement of Chest.*—The candidate will be made to stand erect with his feet together, and to raise his hands above his head. The tape will be carefully adjusted round the chest, with its posterior upper edge touching the inferior angles of the shoulder blades, and its anterior lower edge the upper part of the nipples. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to empty his chest of air as much as is possible. This is best done by continuous whistling with the lips as long as sound can be produced. The tape is carefully gathered in during the process, and when the minimum measurement is reached it is recorded. The candidate will then be directed to inflate his chest to its utmost capacity. The maximum measurement will likewise be noted. The girth with the chest fully expanded and the range of expansion between the minimum and maximum will then be recorded.

V. The hearing must be good.

VI. The speech without impediment.

VII. The teeth in good order, *i. e.*, decayed or broken teeth must be properly stopped or crowned, and deficient teeth replaced by artificial teeth where necessary for effective mastication.

VIII. The chest must be well formed, the lungs and heart sound.

IX. Rupture, hydrocele, varicocele, varicose, veins in a severe degree, or other condition likely to cause inefficiency will disqualify a candidate, unless such condition is cured by operation.

X. The limbs, feet, and toes must be well formed and developed, with free and perfect motion of all the joints.

XI. A candidate must have no congenital malformation or defect likely to interfere with efficiency.

XII. A candidate must not be the subject of chronic skin disease.

XIII. Evidence of previous acute or chronic disease pointing to an impaired constitution will disqualify.

REGULATIONS AS TO STANDARD OF VISION FOR THE INDIAN POLICE FORCE.

1. Squint, or any morbid condition of the eyes or of the lids of either eye liable to the risk of aggravation or recurrence, will cause the rejection of the candidate.

2. The examination for determining the acuteness of vision includes two tests; one for distant, the other for near vision. The Army Test Types will be used for the test for distant vision, without glasses, except where otherwise stated below, at a distance of 20 feet; and Snellen's Optotypi for the test for, near vision, without glasses, at any distance selected by the candidate. Each eye will be examined separately, and the lids must be kept wide open during the test. The candidate must be able to read the tests without hesitation in ordinary daylight.

3. A candidate possessing acuteness of vision, according to one of the standards herein laid down, will not be rejected on account of an error of refraction, provided that the error of refraction, in the following cases, does not exceed the limits mentioned, viz. :—(*a*) in the case of myopia, that the error of refraction does not exceed 2·5 D.; (*b*) that any correction for astigmatism does not exceed 2·5 D.; and, in the case of myopic astigmatism, that the total error of refraction does not exceed 2·5 D.

4. Subject to the foregoing conditions the standards of the minimum acuteness of vision with which a candidate will be accepted are as follows :—

Standard I.

Right Eye.	Left Eye.
Distant vision. V = 6/6.	V = 6/6.
Near vision. Reads 0·6.	Reads 0·6

Standard II.

Better Eye.	Worse Eye.
Distant vision. V = 6/6.	V, without glasses = not below 6/60; and, after correction with glasses = not below 6/24.
Near vision. Reads 0·6.	Reads 1.

Standard III.

Better Eye.	Worse Eye.
Distant vision. V. without glasses = not below 6/24; and, after correction with glasses = not below 6/6.	V, without glasses = not below 6/24; and after correction with glasses = not below 6/12.
Near vision = reads 0·8.	Reads 1.

The existence of imperfection of colour sense does not necessarily disqualify, but will be noted on the candidate's papers.

N.B.—In all other respects candidates must come up to the standard of physical requirements laid down for candidates for commissions in the army.

APPENDIX IV.

[NOTE.—Appendices IV and V are merely intended to show the principal leave and pension rules in the Civil Service Regulations at present applicable to the Indian (Imperial) Police Service without going into minute details, and do not profess to deal with every case that may arise. The rules are subject to alteration, and any disputed question must be decided with reference to the authorised text of the Civil Service Regulations for the time being.]

LEAVE.

1. The following is a summary of the principal regulations relating to the leave admissible to officers appointed to the Indian (Imperial) Police Service by the Secretary of State from the United Kingdom.

Long Leave.

2. Furlough with allowances (*see* para. 5) is admissible to an aggregate maximum amount of six years during an officer's service.

3. The amount of furlough "earned" is one-fourth of an officer's active service, and the amount "due" is that amount less any enjoyed.

4. Except as provided in Rule 7, furlough without medical certificate is limited to the amount "due" and may not exceed two years at a time. On medical certificate furlough may be extended to three years.

5. The allowances admissible during furlough are—

(1) During any period of furlough not exceeding two years half average salary, subject to certain maximum and (in the case of furlough with medical certificate) minimum limits.

(2) After the expiration of the first two years of any period of furlough, one quarter of average salary, subject to certain maximum and minimum limits.

6. Furlough on half average salary (*see* para. 5) may be commuted into leave on higher pay, subject to the following conditions :—

(1) The leave on higher pay, or "commuted furlough," is fixed at one-half of the furlough commuted.

(2) The amount of furlough which may be commuted during an officer's total service is limited to two years.

(3) The commuted furlough will carry an allowance at the rate of average salary, subject to a maximum of 2,400*l.* a year.

(4) Subject to special consideration in exceptional circumstances, an officer must have six months' furlough at his credit at the end of the "commuted furlough," or any leave granted to him in continuation of it.

(5) In any one period of leave not more than eight months may be spent on "commuted furlough" or on "commuted furlough" combined with privilege leave.

(6) For the purpose of the rules governing the extent to which leave taken out of India may be allowed to count as service for pension, time spent out of India on "commuted furlough" will be reckoned according to its actual duration, and not according to the duration of the furlough in exchange for which it is granted.

7. In respect of urgent private affairs, an officer may be granted furlough in excess of the amount "due" for a period not exceeding six months at one time or 12 months in the whole of his service.

Short Leave.

8. Privilege Leave is a holiday which may be granted to the extent of one-eleventh part of the time that an officer has been on duty without interruption; and it may be accumulated up to four months.

Subject to certain conditions Privilege Leave may be combined with furlough or extraordinary leave without pay.

9. Joining time for a short period, usually with half average salary, is granted to an officer returning from leave out of India to enable him to rejoin his appointment.

10. Short Leave is also granted to enable officers to appear at examinations, etc.

11. Extraordinary Leave without allowances may be granted in case of necessity, and, except in certain specified cases, only when no other kind of leave is by rule admissible. It may be granted in continuation of other leave.

General.

12. Leave of absence, whether on furlough or on privilege leave, can never be claimed as of right, and is given or refused at the discretion of Government.

APPENDIX V. (*See Note at commencement of Appendix IV.*)

PENSIONS.

1. The following is a summary of the pension rules applicable to officers of the Indian (Imperial) Police Service appointed by the Secretary of State from the United Kingdom.

2. Subject to the absolute right of the Government of India to decline to permit any officer to retire before reaching the age for superannuation, should it be necessary in the public interest to retain his services, officers will be allowed to retire optionally after 25 or more years' service.

3. Retirement is ordinarily required at the age of 55 years, but for special reasons an officer is sometimes retained after attaining that age.

4. An officer becomes eligible for full retiring pension on completing 30 years' qualifying service.

5. If before completing this period of service an officer is permitted to retire voluntarily after completion of 25 or more years' qualifying service (para. 2), or is compelled to retire on attaining the age of 55 (para. 3), or through ill-health not occasioned by irregular or intemperate habits, he will be eligible for a reduced pension or, if invalided with less than 10 years' qualifying service, for a gratuity.

6. The amount of pension or gratuity is regulated as follows :—

30	30	6,000 „

7. Government may retire any officer after he has completed 25 years' service without giving reasons, and without admitting any claim to compensation in addition to pension, and in that event the pension admissible to him will ordinarily be regulated on a scale not exceeding that laid down above. Government also reserves the general power to reduce the pension ordinarily admissible in all cases where an officer's service has been unsatisfactory.

Additional Pensions.

8. The Government of India have classified certain high appointments into two grades, the lower comprising those posts which involve high but intermediate responsibility, the higher consisting of those which require a marked degree of independent administrative and professional capacity. Officers who have held appointments in the lower grade will be entitled to an additional pension at the rate of Rs. 300 per year of service in any appointment included in that grade, provided that no officer may draw an additional pension in excess of Rs. 1,500 in respect of service classed in the lower grade. Officers who have held appointments classed in the upper grade will be entitled to an additional pension at the rate of Rs. 500 for each year of service rendered in any appointment included in that grade, provided that no officer may draw an additional pension in excess of Rs. 2,500 in respect of service rendered in the lower and upper grades combined or in the upper grade alone.

9. These additional pensions will be awarded only to officers who have given proof of special energy and efficiency, and will be subject to the condition that an officer must not retire voluntarily before the age of 55 with less than 28 years' service.

The upper grade includes :—

Inspectors-General of Police (except Inspector-General of Police, North-West Frontier Province, and Inspector-General, Railway Police, Rajputana).

(2) Compound interest on such payments is annually credited by Government to each officer subscribing.

(3) The sum which thus accumulates to the credit of an officer is his absolute property, subject to the rules of the Fund, and is handed over to him, unconditionally, on quitting the service; or, in the event of his death before retirement, to his legal representatives or such other person or persons as, under and subject to the rules of the Fund for the time being in force, may be entitled thereto.

His Majesty's Secretary of State for India has been pleased to sanction revised rates of pay for the Indian Agricultural Service and the Provincial Agricultural Services as set forth in the succeeding paragraphs.

I.—INDIAN AGRICULTURAL SERVICE.

(1) The revised rates of pay shown below will take effect from the 1st December 1919 in supersession of the existing scale of pay :—

12	800	250	1,050		1,450	250	1,700
					1,500	250	1,750

(2) The Overseas allowance set out in column 3 above (which will reckon as pay for all purposes of the Civil Service Regulations) will ordinarily be granted only to officers of non-Indian domicile; but, as an exception to this general rule, all Indian officers now in the Indian Agricultural Service on the full scale of pay will be regarded as eligible for the allowance.

(3) Officers who have been promoted from the Provincial to the Imperial Service on the provisional scale of Rs. 350—35—700, will, for the purpose of drawing future pay, be treated as having been appointed to the Imperial Service on the date on which they were provisionally appointed, but will not draw the overseas allowance. Provincial Service Officers so promoted in future will, on promotion, enter the Imperial Service on a pay at the nearest multiple of Rs. 50 above the pay that they are drawing at the time of promotion and will thereafter receive increments on the ordinary scale. They will rank for seniority immediately below other officers already in the Imperial Service drawing the same rate of pay.

(4) Free quarters will not be provided.

(5) The selection grade will not be regarded merely as a continuation of the time-scale, but promotion to it will be given as the reward of merit. An officer will be eligible for promotion to the selection grade after having completed 15 years' service. The selection grade will at the outset consist of 15 per cent. of the present sanctioned strength of the service after deducting posts directly under the Government of India, and the number of selection posts to be allotted to each province will be fixed by the Government of India. This allotment will be communicated in due course to local Governments and Administrations who will have complete discretion in making appointments to the selection posts allotted to them. The principles upon which additions will be made to the number of selection posts as the sanctioned strength of the service increases will be determined later.

(6) The appointment of Agricultural Adviser to the Government of India when held by an officer of the Indian Agricultural Service will carry a fixed salary of Rs. 2,750 a month with a rent-free house at Pusa. Officers originally recruited to the Agricultural Department on special terms will be regarded as eligible, equally with regular members of the Indian Agricultural Service, for appointment as Agricultural Adviser.

(7) Directors of Agriculture selected from the staff of the Department will in all provinces employing a whole-time Director be placed on a uniform scale of Rs. 2,000—50—2,250. The scale of salary admissible to Directors in other provinces will be considered when the appointment of whole-time officers of the Indian Agricultural Service to these posts is found necessary. Officers originally recruited to the Agricultural Department on special terms will be eligible, equally with regular members of the Indian Agricultural Service, for appointment as Directors of Agriculture.

(8) Principals of Agricultural Colleges will receive an allowance of Rs. 150 a month in addition to their pay under the time-scale.

(9) Officers of the Indian Agricultural Service who hold the posts of Heads of Sections at Pusa, as classified below, or hold other permanently sanctioned posts in those sections will be eligible for special duty allowances, provided that they have completed not less than three years' service or are in receipt of a salary not less than that of an officer in his fourth year of service under the time-scale. Supernumerary officers and the Assistant to the Agricultural Adviser will not be eligible for these allowances. Heads of Sections will draw allowances on the scale of Rs. 200—50—400, but the first increment in this scale will not be admissible before an officer has completed 15 years' service.

For the present the following posts at Pusa will be regarded as Headships of Sections :—

(1) The Imperial Mycologist,
(2) The Imperial Economic Botanist,
(3) The Imperial Agricultural Chemist,
(4) The Imperial Agriculturist,
(5) The Imperial Agricultural Bacteriologist, and
(6) The Imperial Entomologist.

Additions may be made by the Government of India to this list.

The allowances for which officers holding permanent sanctioned posts at Pusa other than Headships in these Sections will be eligible will be at the fixed rate of Rs. 150 per mensem. An officer in receipt of one of these allowances will, on appointment to officiate as Head of a Section, be eligible for the higher allowance of Rs. 200 per mensem in lieu of the allowance of Rs. 150 per mensem. The grant of the allowances mentioned in this sub-paragraph is in each case conditional on approved service. The present graded scale of Pusa allowances is abolished.

(10) Officers of the Indian Agricultural Service, however recruited, will, when serving in Burma, be eligible for a local (Burma) allowance at the normal rates according to salary.

2. Except to the extent mentioned in sub-paragraphs (6) and (7) of the foregoing paragraph, the orders set out above will not apply to officers originally recruited to the Agricultural Department on special terms and who are not borne on the regular cadre of the Indian Agricultural Service. Such officers will continue to serve on the special terms sanctioned in each case.

3. The pay of officers who were members of the Indian Agricultural Service prior to the 1st December 1919 will be regulated according to the following principles. The general rule will be that as from the 1st December 1919 they will receive pay in the new scale according to the length of their total service calculated from the date of commencement of such service. Officers who were originally appointed to the service on an initial pay of more than Rs. 500 will, however, enter the new time-scale on the 1st December 1919 on the pay which they were actually drawing on that date and will draw their next increment after completion of one year on that pay and subsequent increments after each completed year. The incremental scale above Rs. 1,000 (pay and overseas allowance) will, in the case of any officer electing for this concession, be considered to have come into force from the date on which he completed a full year on the pay of Rs. 1,000 a month on the old scale. Article 158 of the Civil Service Regulations will not be held to apply.

4. Revised rules for appointment to the Indian Agricultural Service will issue shortly.

II.—PROVINCIAL AGRICULTURAL SERVICE.

In all provinces other than Burma the minimum pay of an officer in the Provincial Agricultural Service will be Rs. 250 and the maximum Rs. 750, with a probationary rate of Rs. 200 and an efficiency bar at Rs. 550. In Burma the minimum pay will be Rs. 300 and the maximum Rs. 800, with a probationary rate of Rs. 250 and an efficiency bar at Rs. 600. Within these limits each local Government and Administration will have full discretion to settle the grading of posts in its Agricultural Department. Local Governments and Administrations have also full discretion to fix, either generally or in special cases, the length of the period to be spent on probation.

ORDERED that a copy of the above Resolution be forwarded for information and guidance to the local Governments and Administrations noted in the margin,* the Agricultural Adviser to the Government of India and the Accountant General, Central Revenues.
